Incident report for Case#2011-145156	
Incident Type	Accident - Hit & Run
Incident Date	05/31/2011 - 8:48 AM
Address	Whitney Way @ W. Beltline Hwy
Suspect(s)	Female, Hispanic, mid-20's, driving a dark blue Dodge Durango.
Victim	Female, age 23
Details	Responding officers believe the driver of a Roto-Rooter vehicle may have saved a 23-year old bicyclists life this morning. The woman was peddling north on Whitney Way when she was struck by a dark blue Dodge Durango that has just exited the W. Beltline Highway. Witnesses said the driver of the Durango appeared clueless that she had hit a bicyclist, or that the victim was now beneath her SUV, and being dragged along the roadway. Several concerned citizens tried to get the offending driver to stop, but it wasn't until the Roto-Rooter driver positioned his vehicle directly in front of the Durango that the woman finally hit the brakes. When she realized the victim was under the car, she sped off. The victim suffered serious lower body injuries after the car rolled over her. The Officer In Charge (OIC) reports the suspect turned onto Odana Road, and crashed into a parked vehicle near Dearholt Rd. Anyone with information on the suspect driver, or the location of the Durango, should call 911. Tips can also be made to Madison Area Crime Stoppers at 266-6014.
