## 2024 WATERCRAFT STORAGE AGREEMENT

By purchasing a space on a Madison Park watercraft storage rack, you agree to the following terms. Please review carefully.

### Watercraft Storage Rules:

1. Users can only store one watercraft per space they rent, unless they pay to store two watercraft in one space. Users will need to give a description of the watercraft(s) they intend to store. Only the watercraft(s) described will be given a permit and be permitted in the storage space.
2. The combined dimensions of all watercraft stored in a space must not exceed 100 pounds, and must fit together in a space 42 inches in width by 24 inches in height. The longest watercraft in a space must not exceed 18 feet in length. The watercraft(s) must be fully contained within the designated space.
3. Items stored in the storage area are limited to watercrafts only. No unauthorized property is to be stored on the premises.
4. Premises are to be left in the original condition upon termination of the permit period.
5. A current permit must be visible at all times on the watercraft. Tarps that block or cover the permit are prohibited. Failure to properly display the current permit in a conspicuous location may result in a citation.
6. Parks staff reserves the right to cut any lock and remove any watercraft under any condition it deems necessary for the function of the watercraft storage program. If an unpermitted watercraft is tagged and removed, this will incur a \$100 citation. If a watercraft is confiscated, it will result in the owner having to pay storage fees of \$25/day in order to reclaim their watercraft.
7. The watercraft must be secured to the watercraft storage rack. Owner accepts all liability for theft or damage to their property.
8. All sales are final. No refunds. Make checks payable to "City of Madison Treasury"
9. The agreement is valid through March 15, 2025 regardless of purchase date. Current users will have the opportunity to renew before this date. If a user renews for the 2025 season, they will not have to remove their watercraft from its space. If they do not renew, they will have to remove their watercraft from the racks by March 15, 2025 or it will be cited and risk being confiscated.
10. Prices are not prorated except after October 1 of the current year.

The user of the watercraft storage space assumes sole risk for their property. The user agrees to hold the City of Madison, its officers and employees neither liable nor responsible for any loss or damage to the user's personal property, watercraft, or associated equipment. The City of Madison further holds the right to hold its officers and employees harmless, and to indemnify and defend the City and its employees against all claims, liability or expense incurred by the City on account of and damage to personal property and/or personal injury caused by or resulting from the operation of the user's watercraft or use of the premises.

By purchasing a watercraft storage space, you acknowledge that you have read and understand these rules and agree to the fore stated terms.

### Next Steps:

-  Please check to make sure the physical description of your watercraft (model, color, type, etc) is complete and correct before submitting your payment.
-  If you would like to be on the waitlist for another location, please ensure this information has been conveyed via email to [watercraftstorage@cityofmadison.com](mailto:watercraftstorage@cityofmadison.com).
-  Please make sure emails from [watercraftstorage@cityofmadison.com](mailto:watercraftstorage@cityofmadison.com) are not sent to spam or junk folders, as there are time-sensitive responses required from users. The primary mode of communication about watercraft storage will be done via email from this address.

Issues or questions? Contact [watercraftstorage@cityofmadison.com](mailto:watercraftstorage@cityofmadison.com) or call (608) 266-4711.
