

HOW TO CROSS THE STREET

1. WAVE

- Stop at the curb.
- Step off the curb into the crosswalk.
- Look at approaching drivers and
- **WAVE** to signal your intent to cross.

2. WATCH

- **WATCH** oncoming traffic.
- **Make eye contact with the driver.**
- **Wait for drivers to yield.**

When drivers slow to yield or stop, proceed with caution. Never step suddenly into moving traffic. Always watch the traffic and hold your hand up for other drivers to see.

Make eye contact with drivers in the next lane of traffic while you are sheltered by the yielding or stopped car. When the traffic slows to yield or stop, proceed with caution. Continue to hold your hand up for drivers to see.

3. WALK

- Walk safely across the street.
- Follow this procedure for each lane of traffic you have to cross
- Thank drivers for yielding.

Always use caution and good judgment when crossing the street.
