**CONTRACT NO. 8027, PROJECT NO. 17451  
MADISON FIRE STATION 14**

Revise and amend the contract document(s) for the above project as stated in this addendum, otherwise, the original document shall remain in effect.

This addendum consists of the following documents:

1. **GENERAL CONTRACT CONDITIONS**

Q1: We are working on soliciting SBE contractors for bids and have a question that should be addressed regarding the SBE list online before the SBE pre bid meeting for this project on 12/8. There are quite a few contractors on the list with expired SBE certification. Is this list up to date and are the companies shown with expired SBE certification no longer qualified?

A1: The list published online as of 11/9/17 (version 10/3/2017-SBEDirectory.mdb) and up to 11/15/17 included SBE companies that are no longer certified SBEs. SBE's with certifications of 6/30/17 or before are no longer certified SBEs. SBE's with certifications of 9/30/17 or after are considered certified SBEs. An updated list of certified SBE companies is now available at <https://www.cityofmadison.com/dcr/aaTBDir.cfm>
