Hi Alane,

I spoke to Heller, they are a Partnership, not a corporation.

He said he could give me their EIN number, I think that's what he called it if that is needed?

Or if you need additional information please let me know.

Thank you,
Mitch

Hi Andrew,

I need a little more information please...

- There are a multitude of companies with Heller in their name. Which one is the one you have subcontracted with?
- Is Holian Insulation of Wisconsin, Inc. the Holian Insulation you are referring to in the list?

Thanks,

Alane Boutelle

Mike – Is there anyone else you want to add? I'll wait until I hear back from you before getting it on a Board agenda.

Alane – Mike wanted me to place our steel supplier on the sublist, they are technically not a subcontractor for us, they provide no labor and I have no contract with them.

Mike – If you see anyone else you think should be on here, let me know, but all parties providing labor and have contracts are on this list.

Thanks -

Andrew

Andrew,

Are legal name through the government is **Momchilovich Drywall LLC**. We are also licensed to do business under Momchilovich Drywall & Paint. I would recommend using Momchilovich Drywall LLC for any formal forms to the state. Thanks.

Sincerely,

Matthew Carroll - Office Manager

Hi Andrew,

As I indicated earlier, *Momchilovich Drywall and Paint, LLC* is not listed on the State of Wisconsin's Department of Financial Institution's website (<http://www.wdfi.org/corporations/>)

The only Momchilovich I find is *Momchilovich Drywall LLC*. (see attached)

Do I need him to ask the subcontractor (who may not know) or can I accept as just the Drywall version?

FYI - It is the only Momchilovich on the website...

Alane

This will get me started.

I need to know the full legal name of each contractor.

It is a new policy instituted by our Attorney's Office.

The only one I am unfamiliar with is the second entry.

Could you please provide?

Please also confirm that these are correct:
