

Dear Neighbor,

I invite you to attend a neighborhood informational meeting where we will discuss a proposal to open a new tavern at 6654 Mineral Point Road, the former Hooters. The meeting is scheduled for:

Thursday, February 5, 2009
7:00 p.m.
6654 Mineral Point Road
(Former location of Hooters in the Clock Tower Court)

This is your opportunity to meet the owner of Dirty Dog Neighborhood Saloon, Kami Eshraghi, to see his plans for the establishment, and give input. His application for a Class B Combination Liquor & Beer license will have a formal public hearing before the city's Alcohol License Review Committee on Wednesday, February 18, 2009. If you cannot attend but would like more information, please contact me.
