### **Mission, Goals and Objectives**

Public Health - Madison and Dane County (PHMDC) is the public health agency for the City of Madison and Dane County responsible for promotion of wellness, prevention of disease and provision of a healthy environment. The Department serves as an initiator, advocate and provider of preventive services to identify and minimize health risks. The Department collaborates with other professionals and consumers in the development of a systematic, community-wide network of services.

For questions, please contact Cathie Swee at 243-0355.

July, 2009

**Downtown Office  
Room 356, City-County Building**

Thomas Schlenker, Director 243-0300

Director of Public Health - Madison and Dane County, which replaces the Madison Department of Health and the Dane County Division of Health. Department administration and management, planning, implementation and administration of public health activities as they relate to health, consumer protection, and environmental protection. Liaison and coordination with other local, state and federal agencies.

Pamela Abel, Administrative Clerk 1 243-0300

Administrative support for the Director, Managers, the Joint Board of Health, and public health resolutions and other related Council and Board business.

Beverly Royston, Administrative Clerk 1 243-0305

Purchasing, grant billings, payroll support, back-up support for the Director.

**Operations Division  
Room 507, City-County Building**

The Operations Division is responsible for management functions: developing and monitoring the agency's budget, planning and organizing its health care programs and determining overall policies, priorities and objectives. This section also provides administrative and clerical support for the agency, is responsible for community relations, and supplies general information.

David Caes, Operations Manager 243-0325

Provides grant management and fiscal oversight of the Public Health Department programs and coordinates the budget process.

Jeff Golden, Communications Manager 243-0302

Media relations for Public Health - Madison and Dane County.
