

CITY ATTORNEY'S OFFICE

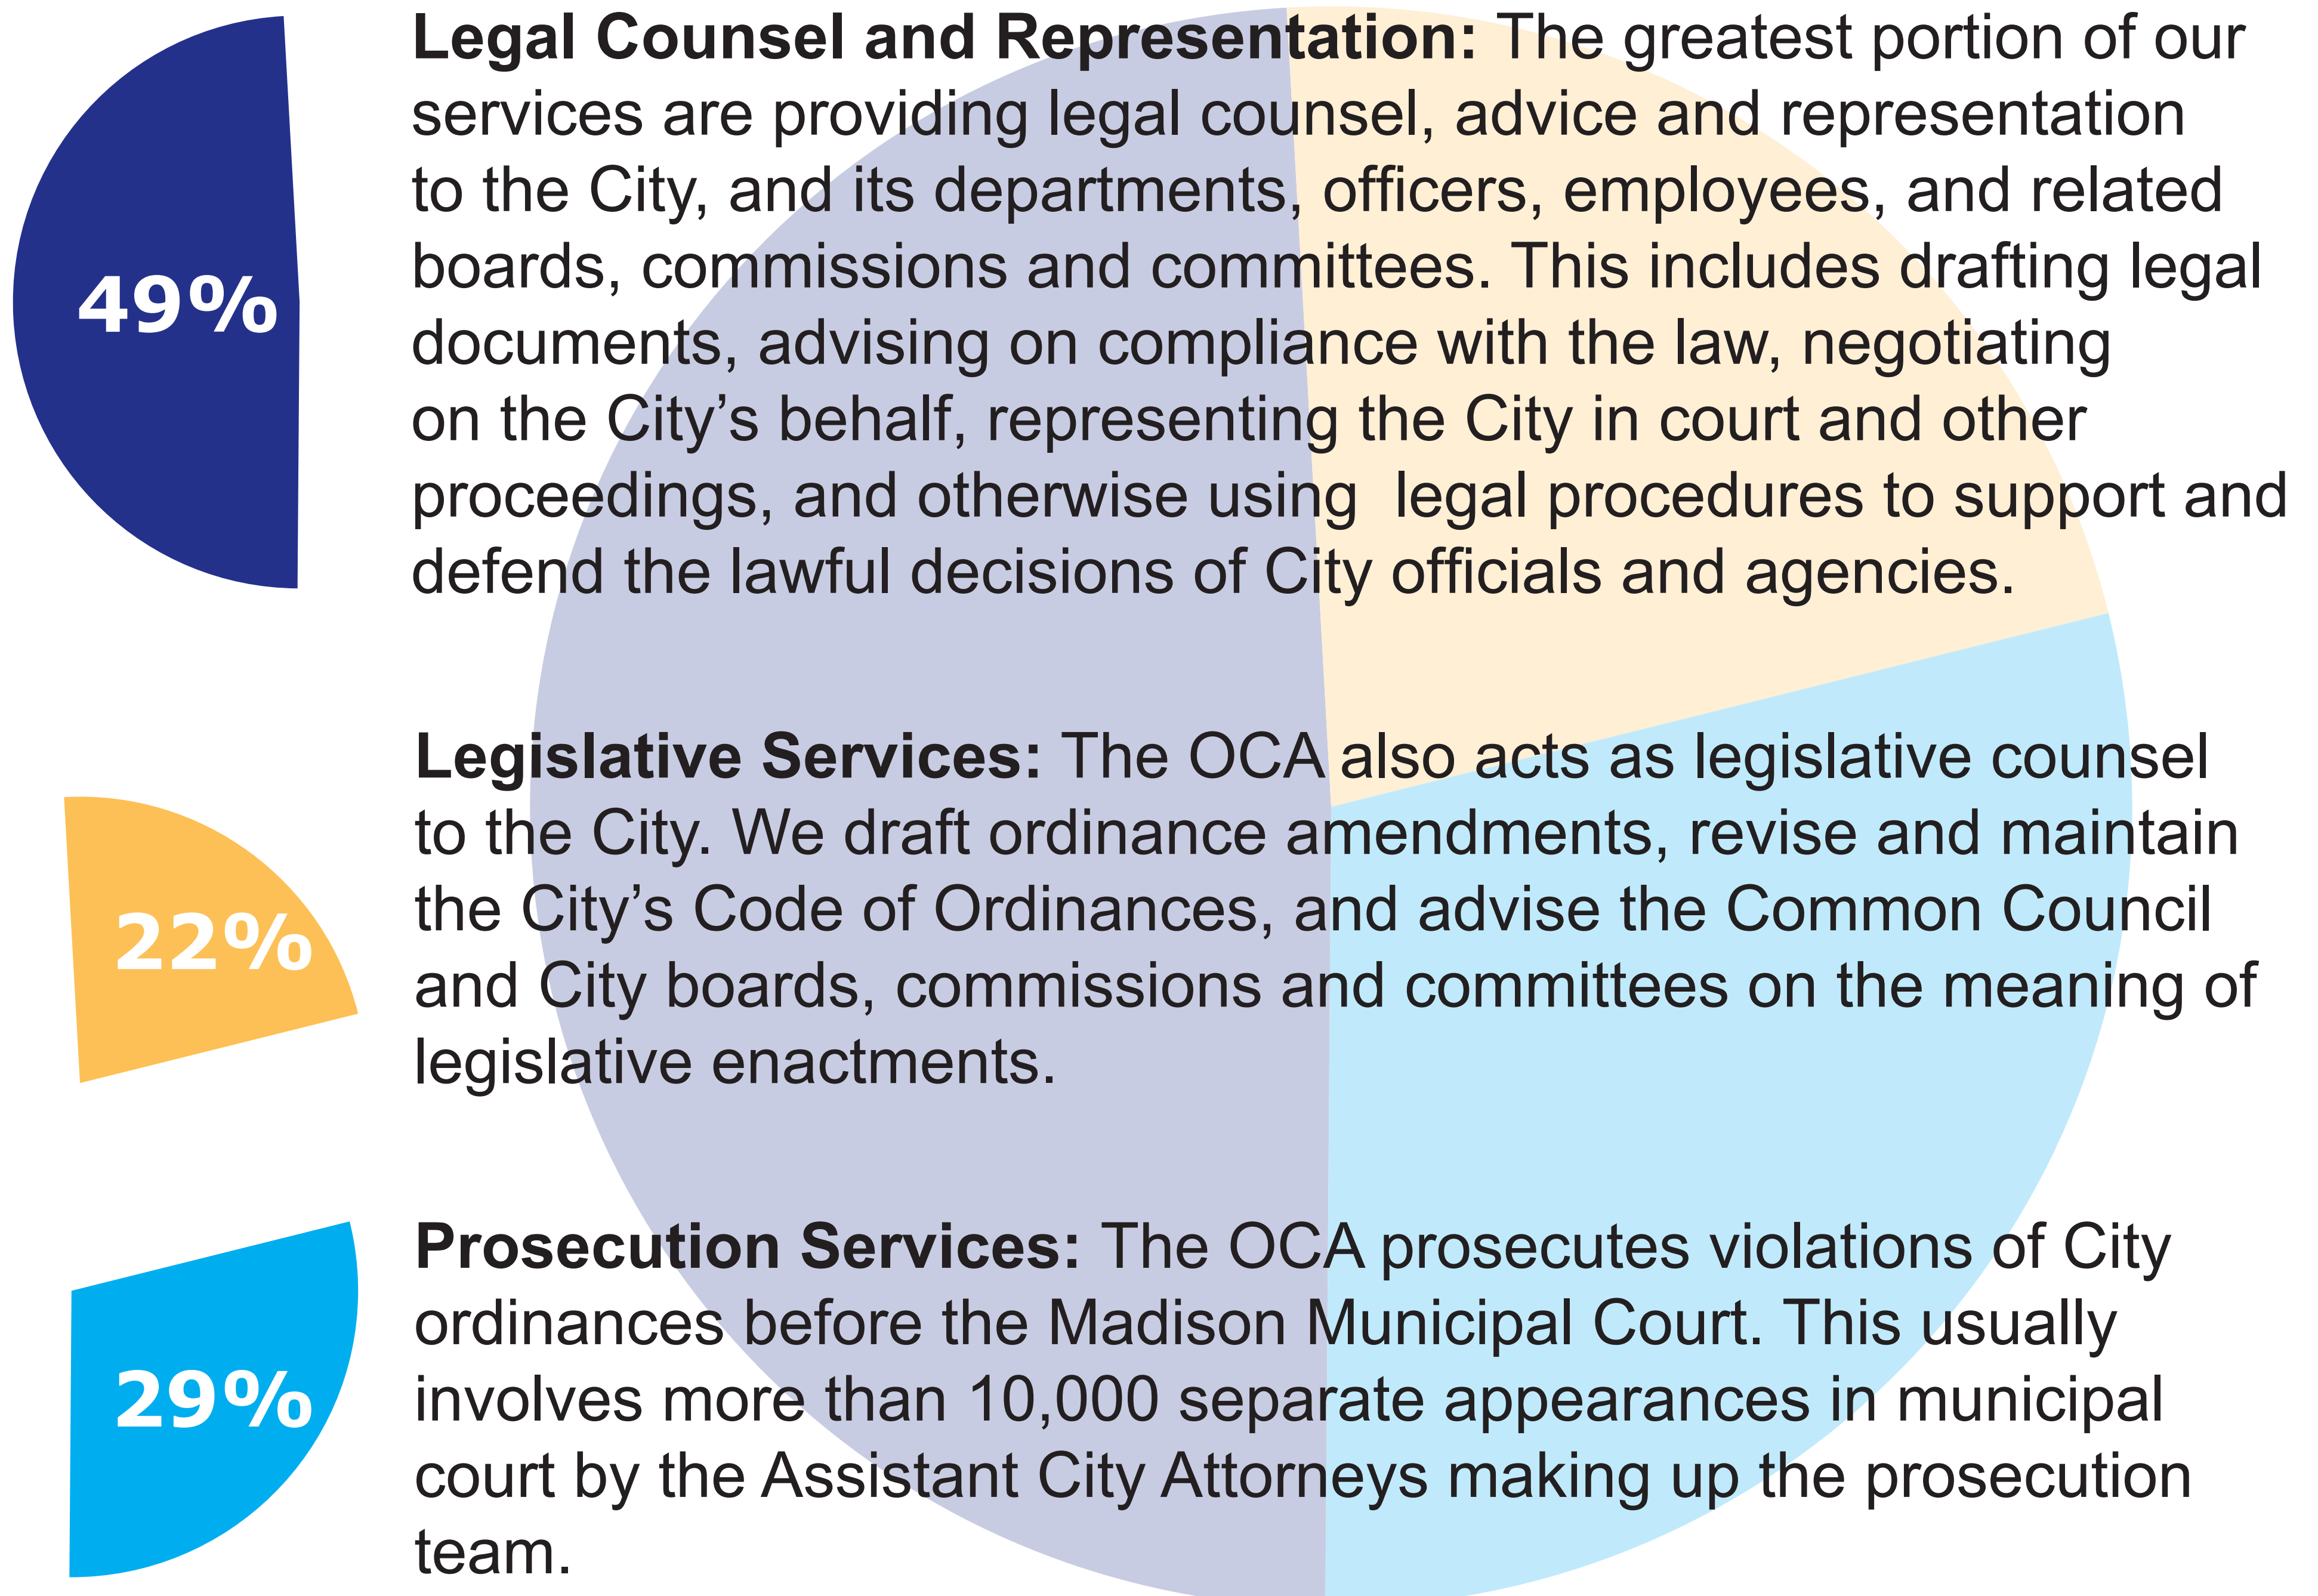

MISSION, GOALS AND OBJECTIVES:

The City Attorney provides legal representation to the City of Madison as an entity. As the City's lawyers, the Office of the City Attorney engages in three major activities. First, we prosecute violations of the City's laws, enforcing ordinances adopted by the Common Council. Second, we provide legislative counsel, drafting and revising the City's code of ordinances and advising the Common Council and City Boards, Committees and Commissions on the meaning of legislative enactments. Third, we provide general legal counsel and representation to the City, drafting documents, advising City officials and managers on compliance with the law, representing the City in court, negotiating on the City's behalf, and otherwise using legal procedures to support and defend the lawful decisions of City officials and agencies.

The Office of the City Attorney (OCA) is an agency that serves the legal needs of the City of Madison as its client. As such, it is not an agency that provides services to the general public.
