### INFORMATION TECHNOLOGY (IT) DIVISION PROPOSAL

Fiber Ring. City IT would like to partner with MMSD, Madison Public Libraries and Mad City Broadband to apply for funding through the Broadband Technology Opportunities Program. MMSD will lead the proposal to build 65-70 miles of 12-strand pole-to-pole fiber ring that will connect schools, libraries and city-owned facilities. MMSD is also hoping to provide mesh network and low cost NetBooks to low income students. MMSD will lead the application process.
