FROM: Supervisor Paul Rusk, Chair, Public Protection & Judiciary Committee

RE: Public Hearing on Possible Changes in the 911 Center Governance Board Structure

DATE: May 2, 2014

I would like to take this opportunity to invite all interested persons to attend a special meeting of the Public Protection & Judiciary Committee to present testimony on possible changes in the structure and authority of the Dane County 911 Center Board. We are currently researching governance board structures throughout Wisconsin and other states in counties similar to Dane County. At this point we are most interested in hearing your ideas about possible changes that would lead to a more cohesive and productive governance board to work hand-in-glove with Public Safety Communications for the betterment of all responders and citizens of Dane County.

The meeting will begin at 5:15 p.m. on Tuesday, May 13 in Room 357 of the City County Building. Per our rules each speaker will have 5 minutes. Please fill out a blue hearing slip when you arrive so we can call on you promptly and we can have your input on any suggestions you might have.

At this time no decisions have been made on changes PP&J may eventually recommend to the full county board. We are interested in considering a full range of options as we deliberate on this important issue.

On behalf of all of us on the Dane County Board of Supervisors, I want to thank you for all that you do to promote public protection and safety in Dane County. We look forward to seeing many of you on May 13.

Thank you for helping to get word out about our upcoming public meeting. If you have any questions, contact me evenings at 249-9667 or at rusk@countyofdane.com.
