### Budget Service Descriptions:

#### Operations

This budget provides for the basic operational expenses of the Senior Center facility. The Senior Center staff plans, develops, coordinates and implements programs, activities and services for older people throughout the city of Madison. In 1999 at the facility, 40,000 older people and visitors under 55 years of age attended 2,400 events sponsored by the Senior Center, senior citizen groups, public and City organizations.

Older people and the community contribute at the Senior Center as decision-makers, service and program providers and as reception, nutrition and clerical staff. Volunteer service of 12,000 hours by 280 people of all ages is the equivalent of 6 full-time staff people. Thirty groups representing churches, civic and social groups volunteered.

The Senior Center Board of Directors raises approximately \$30,000 each year for all program expenses. Fundraising efforts include an annual Thrift Sale and Donor Campaign. Grant and foundation monies have enhanced programming and purchased equipment. An Endowment Fund established in 1989 provides annual interest income used by the Board of Directors for program expenses.
