Adopted Budget Highlights

The Budget includes:

1. No operating budget or subsidy, as a result of the sale of the Madison and Hartmeyer Ice Arenas to the private sector in mid-2004. Both arenas were sold on a ten-year land contract. Payments are to made over the next ten years based upon a twenty-year amortization schedule and a balloon payment. The sales agreements require that the purchasing groups maintain a minimum of two ice sheets within the borders of Madison for the next twenty years; the sheets do not have to remain at their present locations. All related revenue bond debt has been defeased by an appropriation from the General Fund. Payments made under the land contract will be used to reimburse the General Fund over the next ten years. The City would receive the properties back in the event of a default.

The agency submitted no supplemental budget requests.
