Adopted Budget Highlights

The Budget includes:

1. Funding the net operating expense (subsidy) of Monona Terrace derived from the Room Tax. (See Separate "Distribution of Room Tax" page in the Summary section of the budget.) The subsidy provided for in the Adopted Budget is \$2,925,631, which includes a Payment in Lieu of Taxes (PILOT) of \$284,400 and debt service of \$33,701 related to the WRS Prior Service Obligation Loan. This Budget also includes \$93,000 in Capital Assets for items previously funded in the capital budget to conform with the new capital budget policy established in the 2006 Capital Budget.
2. Continued support of community outreach efforts at Monona Terrace including approximately 77 free community programs. Programs include free use of the Hall of Fame room by Dane County non-profit organizations and quality community concerts and events supported through grants and sponsorships by local foundations and corporations.
3. Funding of \$126,690 to the Greater Madison Convention and Visitors Bureau (GMCVB) for direct marketing of Monona Terrace. In 2007, it is estimated that the GMCVB will book approximately \$500,000 in convention and conference contract revenues from their direct marketing efforts on behalf of Monona Terrace.
4. Establishing the authorized level of City subsidy for Monona Terrace Community and Convention Center in 2007 and establishing the authorized permanent staff positions as adopted. All other amounts, except permanent salary and debt service, are provided as informational in order to determine the authorized subsidy level and may, in the course of the year, be adjusted by the City Comptroller to reflect income generated by Monona Terrace, if such adjustments do not increase the authorized level of subsidy or increase debt service.

The agency submitted no supplemental budget requests.
