Building & Building Improvements Project No. **1** Acct. No. 810598

GO \$ 0
Other 100,000
 \$ 100,000

It is important that Monona Terrace be maintained at a first-class level to continue and enhance revenue streams. The success of the facility is based on its marketability and its competitiveness both regionally and nationally. Monona Terrace must maintain and enhance the physical building, current fixtures and services in order to continue to meet and service the expectations of clients and guests. The items planned for 2008 include replacing trees and shrubs, replacing windows, and upgrading the telephone system.

Machinery and Other Equipment Project No. **2** Acct. No. 810599

GO \$ 0
Other 173,500
 \$ 173,500

The Machinery and Other Equipment projects are required to meet customer needs and maintain marketability. Expenditures in this category include scheduled replacement of service and building equipment, including command center cameras, kitchen appliances, and maintenance equipment.

Land and Land Improvements Project No. **3** Acct. No. 811104
