Eastmorland Community Gardens

The City of Madison has officially leased land at the intersection of Walter Street and Hargrove Avenue for use as an Eastmorland neighborhood community garden. This garden is for use by your neighbors during the summer, and a neighborhood committee has been working to establish rules and procedures to minimize disruptions for neighbors.

If you are interested in a plot, please contact Johna Roth at [communitygarden@tds.net](mailto:communitygarden@tds.net).

Milwaukee Street Traffic

City Traffic Engineering has proposed changes to Milwaukee Street. A neighborhood meeting was held at the beginning of April to discuss the:

- Establishment of pedestrian islands and striping enhancements at Marquette Street.
- Changes and enhancement to signage along Milwaukee Street.
- Enhancements to the Fair Oaks Avenue/Milwaukee Street intersection.
- Addition of bicycle path lanes on N. Fair Oaks Avenue from Milwaukee Street to the Capitol City bicycle path.

Detailed information about the improvements is available online at:

Garver Building Re-Use Update

A City committee has been working to create a Request for Proposals for the future re-use of the Garver Feed Mill building. We are asking groups that want to redevelop the site to submit proposals that will be judged against our proposed criteria. More information is available online at the Garver Feed Mill Re-Use Committee website at:
