Dear Mr Winston,

It is my understanding that your campaign has failed to file July Continuing 2009 Campaign Finance Reports with the Office of the Madison City Clerk, despite notices sent to you reminding you of this requirement.

I also understand you have not filed any campaign finance reports since July of 2008.

Please be advised that this office will be compelled to file a forfeiture action if this simple and necessary step in the public campaign finance process is not fulfilled.

If you have any questions, please contact Adam Gallagher directly at (608) 266-4601. Thank you.

Sincerely,

Brian W. Blanchard

Pursuant to Wisconsin State Statute 11.20, you are hereby notified of the requirement to file a campaign finance report. The report required at this time is the **"January Continuing 2009 Campaign Finance Report."**

Finance report forms are sent to the treasurer of a campaign committee or to a candidate serving as the treasurer of his/her own committee. The short form (EB-2a) may be used if you did not receive contributions, make disbursements, or incur obligations during the reporting period. The long form (EB-2) must be used if there were any transactions.

**Electronic filing does not replace hard copy.
You must submit a hard copy of your report by the filing deadline of February 2, 2009.**

File with: City Clerk, on behalf of the Madison Metropolitan School District
210 Martin Luther King, Jr. Blvd., Room 103
Madison, Wisconsin 53703-3342

Reporting: July 1, 2008 - December 31, 2008

Deadline: February 2, 2009

The penalties for failure to file the Campaign Finance Reports are stated in Wisconsin Statute 11.60 and 11.61. Any person, including any committee or group, who violates this chapter may be required to forfeit not more than \$500 for each violation. In addition, any person, including any committee or group, who is delinquent in filing a report may be required to forfeit not more than \$50 or one percent of the annual salary of the office for which the candidate is being supported or opposed, whichever is greater, for each day of delinquency. **State Statute 11.22(5) requires that a list of delinquents be available for public inspection.** This list is posted in the City Clerk's Office, and on our website.

Forms, manuals and additional resources can be found on our campaign finance website at <http://www.cityofmadison.com/election/candidateResources/campaignFinance>. The campaign finance manual prepared by the Government Accountability Board is linked to this website, and hard copies are available from our office upon request.

You are responsible for familiarizing yourself with the campaign finance requirements that apply to your committee/campaign, which you may obtain from either the Wisconsin Statutes or from your private attorney. In carrying out the election duties assigned by State Statute, local officials/filing officers do not represent candidates or committees. Accordingly, it may be necessary for you to direct some specific questions about your campaign finance obligations to the Government Accountability Board. Keep in mind that the information you receive may not be interpreted as legal advice or a release from your responsibility to comply with the law.
