We exist to assist.

Dear Election Officials,

Thank you for working to ensure that our elections are fair, accessible, and transparent. Your work at the polling place protects the integrity of each election, and gives voters confidence that their votes are counted.

To work at the polls, you must be familiar with election laws, forms, and procedures. To stay up-to-date on changes in election law, you will need to attend a training session prior to each election.

This Election Official Guide was created to be used as a supplement to the training sessions offered by the City Clerk's Office. As laws and procedures change, we will update this guide, and provide replacement pages for your binder at election official training sessions.

If you have any questions on Election Day, or at any other time, do not hesitate to call the Clerk's Office at 266-4220 (the phone line reserved for Election Officials), or send me an e-mail message at clerk@cityofmadison.com.

Thank you for your dedication to facilitating the right to vote.

Sincerely,

Maribeth Witzel-Behl

Madison City Clerk
