

Women's Issues Committee (WIC)

GOAL STATEMENTS

1. The Women's Issues Committee's decisions and actions are rooted in City Employees' wants and needs and are informed and driven by emerging trends and demographics in the Community.
 - Mechanisms for serving this function shall be included in every project we do.
 - The Committee shall monitor this goal annually by an internal activity report prepared by the Planning Subcommittee.
2. The Women's Issues Committee shall meet the needs of the diverse Staff and Community of Madison, Wisconsin by promoting workshops, events and informationals.
 - The Committee shall monitor this policy annually through an outcome data report prepared by the Planning Subcommittee.
3. The Women's Issues Committee shall sustain existing programs and develop additional resources to provide opportunities for the benefit of City Employees and this Community.
 - The Committee shall monitor this policy annually through a progress report prepared by the Planning Subcommittee.
4. Implementation of the goals of the Women's Issues Committee shall enhance the achievement of WIC's mission by strengthening the trust and teamwork between committee members and by ensuring the entire Committee is clear about their responsibilities and duties.
 - The Committee shall monitor this policy annually through a progress report prepared by the Planning Subcommittee.
5. The Women's Issues Committee shall ensure the viability and sustainability of both the programs in which we are involved and the Committee itself.

MISSION STATEMENT

It is the mission of the Women's Issues Committee to actively assist the City in building and sustaining a vibrant, equitable, committed, diverse, engaged, inclusive, informed and safe environment for all City Employees and the Community at Large.
