Community Development Authority of the City of Madison **CDA Redevelopment** Matthew Wachter, Executive Director

215 Martin Luther King Jr. Blvd, Suite 130 Madison, WI 53703 Phone: (608) 266-5940 https://www.cityofmadison.com/dpced/housing/

July 10, 2020

To:	Mayor Satya Rhodes-Conway
From:	Matthew Wachter, CDA Executive Director

Subject: 2021 Operating Budget: Transmittal Memo

The Community Development Authority was established in 1979 when the Housing Authority, Redevelopment Authority, and related functions were combined into one public body. The CDA is governed by a Board of Commissioners, two of whom are members of the Common Council. Under state statute, the CDA is charged with encouraging safe neighborhoods, the provision of healthful homes, and supporting adequate places for employment.

Major Goals

The redevelopment unit in the CDA has one service in the budget. This service supports the management of Monona Shores Apartments, Burr Oaks Senior Housing, Revival Ridge Apartments, the Reservoir Apartments, and commercial space at the Village on Park. Active projects include single-family home construction in the Allied Drive neighborhood and the redevelopment of aging public housing units.

As part of public housing redevelopment, the CDA is reengaging the Madison Revitalization and Community Development Corporation (MRCDC). The MRCDC is a 501(c)(3) established by the CDA for use in multiple-entity redevelopment projects. In this case, it will become the owner entity for 32 public housing units involved in the disposition and redevelopment process with the United States Department of Housing and Urban Development. The budget and financial transactions for this entity will reside in a subfund of the CDA Redevelopment account structure.

One of the CDA Board's priorities is to fill the vacant Housing Development Specialist position to advance this work. I am pleased that Dan Johns has accepted the position and will join the CDA in August. Dan previously worked with Vandewalle & Associates on a variety of redevelopment projects in the Midwest. I look forward to the experience that Dan brings to the organization and to the work that will move forward in 2021.

COVID Response and Recovery

CDA Redevelopment currently has no employees and relies on City and Housing Authority staff to advance its mission. Staff supporting the CDA have collectively risen to the challenge of continuing to manage the CDA's portfolio of properties, keeping residents and commercial tenants safe, and supporting the CDA Board. I appreciate their dedication to caring for the most vulnerable during the pandemic and to finding innovative ways to continue operating.

2021 Request & Equity

Discriminatory housing practices have been a significant historical driver in preserving inequity in the community and preventing the acquisition of intergenerational wealth for families of color. The CDA is committed to providing safe and accessible housing and to supporting healthy neighborhoods.

In 2021, the CDA Board will identify and advance its long-term priorities for the agency. The Board has long expressed its dedication to advancing equity, particularly on Madison's south side, and I fully expect this to be a foundation of the Board's priorities.

2021 Request & Sustainability

As mentioned, the CDA is beginning the process of redeveloping its aging housing portfolio. This is a unique opportunity to make thoughtful investments in sustainability. The CDA is positioned as a permanent partner in the community that can consider a longer time horizon for a return on efficiency investments. There are years of planning and design ahead for a project of this magnitude, and it is my priority to bring the long vision of the CDA to those discussions.

Major Changes in the 2021 Operating Request

Consistent with the budget instructions, CDA Redevelopment has not submitted a five-percent reduction scenario because the CDA does not receive a subsidy from the City's general fund. Ultimately, the CDA must balance its activities with redevelopment funding opportunities and the revenue that CDA properties generate. Filling the Housing Development Specialist position is a critical component of the CDA's strategy to generate additional revenue.

The CDA appreciates its close relationship with the City and the ongoing support of City staff. The need for stable, affordable housing in our community has never been greater, and we look forward to being a partner in the solution.

I look forward to further discussing our operating budget in the coming weeks.

Sincerely,

Matthew Wachter Executive Director Community Development Authority

SERVICE DESCRIPTION:

This service is responsible for housing, economic, and redevelopment initiatives in the City for the Community Development Authority (CDA). CDA Redevelopment manages Monona Shores Apartments, Burr Oaks Senior Housing, Revival Ridge Apartments, the Reservoir Apartments, and commercial space at the Village on Park. Active projects include single-family home construction in the Allied Drive neighborhood and redevelopment of aging public housing units. The goals of this service are to provide high-quality housing for low-income households and to undertake redevelopment activities that strengthen low- and moderate-income neighborhoods.

PRIORITY

Citywide Element Neighborhoods and Housing

Describe how this service advances the Citywide Element:

The Community Development Authority was established in 1979 when the Housing Authority, Redevelopment Authority, and related functions were combined into one public body. The CDA is governed by a Board of Commissioners, two of whom are members of the Common Council. Under state statute, the Community Development Authority is charged with encouraging safe neighborhoods, the provision of healthful homes, and supporting adequate places for employment. The redevelopment service supports entrepreneurial activities in pursuit of the CDA mission. Examples include the redevelopment of Monona Shores apartments, redevelopment of the Village on Park Mall, single family home construction in the Allied Drive neighborhood, and the development of Burr Oaks senior housing. This service will also play a critical role in the redevelopment of aging public housing on the Triangle.
