

**Top Six Northport-Warner Park-Sherman Neighborhood Plan Issues, June 2008
(NOT IN RANK ORDER)**

Economic Development

Develop a strategy to retain, attract, and grow local, regional and national businesses on the Northside, capitalizing on major employment centers and businesses (e.g. airport) and the existing and potential consumer base (e.g. commuters), and increase access to and availability of employment training and/or business development (e.g. micro-enterprises).
