DONATE

Now more than ever, the WPCRC has an urgent responsibility to connect divides in our community and bring people together, and we need your help. Facility rentals and membership fees keep the lights on and the doors open. Donations invite everyone inside. When you donate to support kids, adults and families who need us most, you are helping remove barriers and fill gaps that strengthen our community. At the WPCRC, no family, adult or child is turned away because of an inability to pay. Donated dollars provide member and program assistance for individuals and families who could not afford to participate otherwise.

Make a tax-deductible donation today. Checks made payable to the Madison Parks Foundation.
