## Permits:

A permit is required in order to bring your dog to a City of Madison, City of Sun Prairie, City of Middleton or Dane County dog park. Fees collected by each agency are used to support their own dog parks programs. Please be aware that in order to purchase a dog exercise permit, you will FIRST need a dog license. The City of Madison Parks and Dane County Parks have designated off-leash exercise areas. A dog permit is required. *City of Madison Ordinance 23.32, Dane County Ordinance 53.03(20).*

## Leashes:

In parks allowing dogs, all dogs must be restrained on a maximum 6' leash at all times except in the designated off-leash exercise areas. *City of Madison Ordinance 8.19, Dane County Park Ordinance 53.09(7).*

## Control:

Dogs must always be under the control of the owner. Do not allow your dog to disturb wildlife or interfere with other park users. Leaving your dog unattended can be dangerous to your dog and other park users. If you cannot control your dog off-leash, keep your dog leashed at all times. *City of Madison Ordinance 7.322, Dane County Ordinance 53.09(7).*

## Prohibited Areas:

Dogs are not allowed in any non-designated park, on beaches, or in any park building. During the winter dogs are not permitted on groomed cross-country ski trails.

## The Scoop on 'Poop'

The following Madison General Ordinances pertain to your responsibilities for cleaning up after your dog. The fine for violating any of these ordinances is up to \$200.00.

- Always carry equipment sufficient to clean up your dog's feces whenever you and your dog are off your property, *Ordinance 7.322(2).*
- Do not allow your dog to defecate on any property, public or private (except your own property), unless you immediately remove and properly dispose of the waste, *Ordinance 7.322(1).*
