Subject: Grandview

We will not be able to attend the meeting on Grandview Monday evening, but would like to go on record as against this project for the following reasons:

The square footage being discussed now -58,000 feet -is far more than originally suggested. We do not need yet another grocery store out here. The traffic will be increased way too much. The proposed Copps will be an eyesore the way it is being proposed. We would like to see the land used for a library, shops, coffee shop, cleaners, and a family restaurant.
