**Subject:** Grand View Commons proposed Copps store

Hi, We live at 525 Orion Trail, and we would LOVE to see a Copps grocery store and everything that is planned for the GVC Town Center. We sure don't need any more apartments here. But we do not have ANY shopping! Our whole family would love to see the center approved and built as soon as possible. Please, approve the proposal.

Thank you.

Jonathan and Julie Ely & family 525
