Subject: Grandview Commons Grocery

I understand that a proposal is being considered to build a large Copp's grocery store at Grandview Commons. I have concerns about potentially detrimental effects on my neighborhood. I have lived on Bonnie Lane since 1973. When we moved in there was only a stop sign at Cottage Grove and Acewood but there was a Sentry Store. That store has been a foundation for the neighborhood and it would be terrible if a big new store that isn't necessary would cause Sentry to close. I am 67 years old and I think I can speak for many retirees. We don't want or need a huge store; we want a convenient, accessible and friendly store where we can find a reasonable variety of products. In short, a store like Sentry.

Please consider the neighborhood when you are thinking about this proposal.
