Subject: Grandview Commons Town Center

Alderwoman Cnare,

As a homeowner in the Door Creek subdivision, I would like to express my strong support for the plans to develop the Grandview Commons Town Center along Cottage Grove Road, including the proposed Cops grocery store. I believe it is important for the neighborhood to have a vibrant town center, which could include additional shops, restaurants and extra parking for the Great Dane Brew Pub. This is especially true in lieu of additional apartment buildings. It is critical to ensure that the anchor tenant is large enough to support the remainder of the development. The last thing we want is another failed business in our neighborhood (i.e. Cloud 9 and coffee shop). As the approval process moves forward, I hope we can count on your support for this important initiative. I look forward to your positive response. Thanks!
