Subject: Grandview Commons Grocery Store Support Letter

As an employee of Oak Park Place Retirement Community I believe that the addition of a grocery store to Grandview Commons would be welcome. Staff can have the convenience of a quick stop for groceries after work, or lunch during the day. It would also be helpful for last minute needs in the day to day operations of the kitchen or activities departments. With over 100 staff members we are sure to bring lots of business to the grocery store.

The residents & families of Oak Park Place would also utilize the grocery store. With the growing popularity of the Great Dane & the Farmer's Market it would be wonderful to have another amenity that the residents can take advantage of. It will be a great convenience to have a "one-stop shop" type grocery store so near by.

I hope this letter of support helps the cause.

Thank you, Katie Lowe Director of Lifestyle Enrichment
