To: Cnare, Lauren Subject: Grand View Commons Town Center

Lauren, I am writing in support of the proposed grocery store at the Grand View Commons town Center.

I am in the process of purchasing a new home at Grand View, and was very excited to hear about the proposed grocery store. There are no grocery stores close to this community, and I feel that having one in the neighborhood would promote the kind of feeling that Grand View is trying to obtain (pedestrian/bicycle friendly and safe community). It could also be a great opportunity for some of the young adults and teenagers in the neighborhood to obtain work at a location very close, and safe, to their homes.

Thank you for your time. Ann
Matyas
