Good morning! As a resident of the far east side and a property owner in Grandview Commons I want to express my strong desire to have the Copps grocery store built, along with the town center. I have seen the plans and am delighted by what I see. It is extremely well thought out and forward looking. I purchased my home in Grandview FOR this development; otherwise, I would simply be living in the middle of a sea of homes. This is what we need to continue to build a vibrant community out here. Thank you in advance for your effort to make this a reality.
