**Subject:** Thursdays Meeting Re Grandview Town Center

Hello David,

My name is Troy Nye and I am a current resident of Grandview Commons. I have lived in the neighborhood for 8 years and we are in our second house as we love the area. When we purchased in the neighborhood, it was partially due to the fact that we knew a town center was going to be constructed eventually. It is very important to us that this project be completed so we can all take advantage of what it will provide. The growth will be a welcome addition to an already flourishing neighborhood.

As with any development I realize that increased traffic will occur and feel that with you and your teams involvement we can make it a seamless transition.

In short, I look forward to the approval and shopping in our new town center!

Thanks for all you do,

Sincerely,

Troy A. Nye
