Subject: Grandview Roundy's Proposal

Lauren I am a resident @ 213 Acewood Blvd, and I am NOT in favor of a new Roundy's/Copps store, if that store were to go in the Sentry store more than likely would close and the neighboring stores around it would possibly close also, making that shopping center a neighborhood blight attracting more crime to our neighborhood. I believe that Madison's East Side has enough grocery stores IE... Woodmans, Hyvee, the new Woodmans out on 151, Sentry and Copps near Sun Praire and out by the Airport to accommodate all the shoppers on the East side without having to open another. Note too Cub foods is now closed because Madison's East side couldn't accommodate another grocery store, when HYVee opened up. Yes I am against another Grocery store going in on Madison's far East Side. Thank you for listening Doug Olsen

Please forward this on to the Planning Commission's members prior to the meeting on Monday.
Thank you.
