Lauren-

I don't need a response, but I wanted to let you know that I am absolutely against the 58,000 sq. ft grocery store. I live on Orion Trail, just off North Star, and the proposal is WAY to massive for the neighborhood. If it were smaller, say 20-25000 sq ft, it might be more tolerable, but I can't say that I really believe we need another grocery store on the East side. Additionally, the proposal has a massive parking lot which will be an eye sore. I appreciate the attempt to grow the neighborhood and think a walking Town Center of useful businesses could be attractive, but this is not the right plan for this neighborhood.

Thank you for your time,
