Subject: Grandview commons rezone

I would like to express my support for the rezoning of the Grandview Commons commercial zone to allow for a potential grocery store. I am in support of the idea of a grocery store and would like to see what a final proposal would look like.

Please be aware that there may be a letter coming from the MPNA board opposing the grocery. This letter would not reflect a vote of the neighborhood but merely one persons opinion.

I would like to see a store that fits with the neighborhood. If Roundy's is sold that would be something to consider especially if the Grandview store ended up being closed after being built.

Thank you.
