Subject: Grandview Commons

Good evening and Happy Memorial Day!

Dale Royer & I are scheduled to close on our home in Grandview Commons on 6/13/2011. We will be living at 714 McLean Drive. We would like to let you know that we are both hoping that Copps (or something similar - but hopefully Copps) is opened in Grandview Commons. This would really be fantastic. There would be more jobs created, we wouldn't have to drive far for our groceries, and they wouldn't end up putting in apartments.

Thanks for listening to our interests. Have a wonderful week!

Mike Kaiser
