Dear *Mr. Murphy,*

I do not see a need for a box store in the center of Grandview Commons for the following reasons:

1. There are sufficient stores very near.
2. A grocery store nearby closed within the last few months.
3. For me, this store would not be within walking distance.
4. A store in this area would not fulfill all my needs therefore, I would continue to drive to an area that does.
