42	I would love weekly recycling, as we recycle 3 times what we put in our garbage can	Feb 13, 2011 5:17 PM
43	At the west end of the street, it curves before ending in the cul de sac. Where it curves, there's usually a 3-6' wide swath of snow away from the curb. Also, as there are no sidewalks, when the thawing/freezing cycles occur, the street turns to ice. Sanding more often would help.	Feb 11, 2011 9:20 PM

37	I understand and have seen some suspicious activity in Hoyt Park. I think some drug dealings may be happening there???	Feb 20, 2011 8:46 AM
38	We are very unhappy with the large no-mow areas. If the no-mow areas were tended properly and weren't just high grass and weeds, that would be okay. When our daughter was young, she didn't want to play in the parks because of the mosquitoes in the high grass. She even cried every night after a summer camp at Hoyt School and another one at Olin because of the mosquitoes. Because she was so unhappy we stopped sending her (just so you know she was typically a resilient kid). She played at Reservoir a lot and enjoyed the afternoon play sessions put on by the Parks Division; this was before the no mow areas there. We were very unhappy that they took out the slide and removed the other playground equipment without any notice to or consultation with residents. But that may be ancient history. In general, we believe the parks in Madison are disgracefully unkempt. Most of the funding goes to active sports and very little goes to providing an aesthetic experience. It is only when private citizens take over, such as in the Hoyt Park meadow, that the parks are worth even walking through.	Feb 19, 2011 3:38 PM
39	Would like more times for dogs in the park.	Feb 19, 2011 8:47 AM
40	I wish, wish, wish the city and neighbors could somehow collaborate as a TEAM to work on clean-up of the debris in the woods. There has been a huge pile of stones and dirt in the middle of the Quarry woods entrance for half a year now that people fall and slip on. If we could form a working relationship I think lots of people would join in cleaning and maintaining the woods/ weed control, limb collection, refuse pick-up, etc.	Feb 18, 2011 11:24 AM

46	We look for enclosed dog exercise areas	Feb 9, 2011 11:38 PM
47	Most of my nearby parks don't allow dogs even on-leash so I have to take walks with my dog at other neighborhoods parks.	Feb 9, 2011 11:49 AM
48	Except with respect to safety at Hoyt Park as stating in 6.	Feb 9, 2011 11:20 AM
49	I would have checked a somewhat, but it could be a lot better. I mostly am stresses about the speeding on Bluff St. It is so terrible, not only was my car run over and killed a few months back, but I have seen countless speeders almost hit bicyclists, and just people always going WAY too fast. It use nto not be this bad but for a long time now I don't think when I buy a home in the near future sadly it won't be in this neighborhoo. Unless things change in the next year or so. This neighborhood could be wonderful.	Feb 6, 2011 7:40 PM

100	I think the park community would be awesome if there was a ice skating rink, that would be the BEST idea by far. Talking to neighbors and such they have all said an ice rink would be amazing. I have always thought that. An excersize course would be very unique, and used a lot. Tennis courts would be neat. New, neat trails would be really exciting. Also picnic shelyers would bring more family ativity and positive activity in the park and community. Play equipment, and all the rest you have put are wonderful things, even the ones I did not check. I like them all only checking my top favorite idea. Ice Rink #1. Exercize course #2. trails and all. If these changes were made I would definitely live here permanently, as long as the speeding issue was taken care of.	Feb 6, 2011 7:40 PM

26	large trees, quiet	Feb 2, 2011 8:14 AM
27	easy access to hilldale shopping, shorewood shops and pool, quick commute to downtown. but there are no real neighborhood schools which is a strong negative for us. midvale is great, but only K-2. We are constrained by busy roads in other directions (midvale on the way to hamilton/van hise; university ave on the way to shorewood)	Jan 31, 2011 11:40 PM
28	Large lots and mature trees! Maybe there could be a neighborhood comment period put in place before neighbors are permitted to cut down (more than one) old tree on their property. When neighbors cut down many large trees on one lot, it affects how the whole neighborhood is viewed. Most of us choose to live here because of the character of an older neighborhood. When neighbors substantially alter their property in this way, it affects all of us and our property values.	Jan 31, 2011 3:18 PM

52	no opinion	Feb 18, 2011 6:53 PM
53	First: It is devastating to have to park one's own car right outside their own home onto the street, and receive a \$30 ticket. It is the greatest frustration I have since moving into this neighborhood. Homeowners should NOT have to be fined for needing to move their vehicle out in front of their homes and be ticketed because there is no parking allowed. AND, the word is parking tickets are going up. My family has probably paid over \$300 in parking to the city for examples like, the plumber needs the driveway to bring in equipment and we park the car on the street, only to find another costly ticket issued to it! Secondly: While the stop light at Ridge & University Ave is helpful to pedestrians, In never use anymore. It is always Red turn arrow when traffic on University going east are waiting at their red light.	Feb 18, 2011 11:37 AM
54	UW employees using our residential streets as parking lot	Feb 16, 2011 10:13 AM

58	I'm not concerned about any of these or aware of any issues.	Feb 14, 2011 12:26 PM
59	Self appointed committees like this one	Feb 13, 2011 11:59 PM
60	Other is to add to dangerous intersections & bike/ped safety. We daily cross mineral point at glenway, and it is so hard to safely cross the street. The cross walk button in on the side with no northern sidewalk (just Moore's parking lot) and the side that is pedestrian friendly (sidewalk to bike path) has no crossing button. As a pedestrian, it is a very hard intersection to cross.	Feb 13, 2011 5:24 PM
61	There is A LOT of confusion at the intersection of Franklin St. and Regent Street, I have witnessed many near-accidents there due to people not realizing it is a 3 way stop.	Feb 13, 2011 4:13 PM

68	safety of Hoyt Park at night	Feb 7, 2011 3:14 PM
69	This is really related specifically to "dangerous intersections" --When using the bus, crossing the intersection at Blackhawk and University. Then this is related specifically to "public transportation" -- There is no bus that goes down midvale!!! which means that I do not have bus access to the closest library. This is not related to any other topic but a stand alone issue -- we do NOT have a community center! What if we share space with a church in the community during the week?	Feb 7, 2011 12:03 PM
70	Gining the park more character, Ice rink, excersize course,picnic shelters, flowers. 82	less commuter day parking on my street	Feb 7, 2011 11:59 AM
83	I think that again that elderly services are needed, but also the speeding/traffic situation, and the epark being improved, but also the housing is expensive. I feel for the amount that it costs to live here all these should be a given. The community center is also a wonderful idea, and the neighborhood watch program I would definitely join. 24	the service station on the corner of mineral point and glenway is an eye sore and has too many lights surrounding the building.	Feb 2, 2011 10:41 PM
25	we like the modest and small size of homes	Feb 2, 2011 10:41 AM
26	scattered homes need repair; maybe owned by elderly	Feb 2, 2011 9:25 AM
27	some areas are being renovated, others are lagging	Feb 1, 2011 8:10 PM
28	I like the diversity, upkeep and gardens are great. Don't want the neighborhood to control what I do on my property be it a fence or etc unless it is a health hazard	Feb 1, 2011 2:23 PM

Page 4, Q14. How would you rate the natural environment of the neighborhood? (natural features, ecology, landscape features, tree canopy, etc.)

1	maple trees reaching end of life expectancy + Ash borer would decimate ares w/in 5 yrs. Replace everyother maple &/or ash tree now while tree crews are inundated w/ dead trees and give time to create some canopy before wipes out all along a block	Oct 3, 2011 9:18 AM
2	Some areas along east edge of Hoyt park need attention	Sep 13, 2011 9:22 PM
3	It would be nice if the city planted better and more diverse trees.	Sep 12, 2011 10:17 AM
4	My main concern is traffic control and parking. I know that Univ. Hospital employees needs somewhere affordable to park and Harvey St. is convenient, but then the traffic should be monitored and slowed down!	Aug 8, 2011 9:19 AM
5	Rezoning would destroy natural environment	May 19, 2011 9:29 PM

45	a tree replacement plan for area is desired; educate homeowners too	Feb 2, 2011 9:25 AM
46	some of the older trees could use trimming. we did ours this fall.	Feb 2, 2011 8:14 AM
47	We need to replant trees in Hoyt park, Sunset Park and other parks to account for those lost to storms.	Jan 31, 2011 3:18 PM

Page 4, Q15. How would you rate the commercial/shopping/services areas accessible to the neighborhood? (convenience, upkeep, value, accessibility, etc.)

1	parking at Sequoya a problem	Oct 3, 2011 9:18 AM
2	nice to have Hilldale close, but Mineral Point/Speedway could be improved (Village Bar is nice though)	Sep 13, 2011 2:56 PM
3	The only real restaurants that use non Sysco biased ingredients is the one by the Glenn way, the rest are Sysco food chains (poor quality food with many options -I have to go to the near east side to get real food).	Sep 12, 2011 10:17 AM
4	Reagent Co-op must stay. It is the best thing we have.	Sep 10, 2011 11:27 AM
5	On south side of neighborhood, north side is excellent	Aug 8, 2011 7:41 PM
6	Used to be better before all the useful, not so expensive, stores and Walgreens, theater and Chinese buffet all left Hilldale--Target is ugly and will create traffic congestion.	May 18, 2011 10:57 PM
7	N/A	May 18, 2011 10:21 PM
8	Hilldale redevelopment has been very beneficial; all other commercial space is probably under-utilized; Border's closing is disappointing	May 12, 2011 4:33 PM
9	"value" fair, all else excellent	Mar 22, 2011 10:58 AM
10	not really applicable in my sector	Mar 11, 2011 11:16 PM
11	We do not need any more "development" of retail services in or at the fringes of the neighborhood	Feb 28, 2011 11:34 AM
12	Concerned about light pornographic magazines at Stop and Go.	Feb 24, 2011 9:36 PM
13	They are excellent but all are more than a mile away on foot. would love to see more development on corner of speedway and glenway, similar to reget co op area	Feb 19, 2011 12:30 PM
14	Again, I would love to walk down the street to the avenue and find a coffee shop or even coffee daily, having a glass of wine in the evening, where I could get out, read the paper or work on my laptop and relax away from home.	Feb 18, 2011 11:37 AM
15	Excellent except for Target. Why was it allowed? We don't need a big box store in the neighborhood.	Feb 15, 2011 11:13 PM
16	it would be great to have sit down dining, and also a restaurant that is open after 7 pm	Feb 13, 2011 5:24 PM
17	Hilldale tends to be pricey; movies are now too expensive	Feb 10, 2011 6:40 PM
18	Excited for Target to reduce far west excursions. Would appreciate something more at corner of Glenway and Mineral Pt. Rd.	Feb 10, 2011 3:43 PM

23	The Hilldale/University Ave area has just about everything we need in walking distance	Feb 7, 2011 11:59 AM
24	Target is a good addition for my needs.	Feb 6, 2011 8:28 AM
25	I would strongly support a moratorium on non-locally-owned businesses	Feb 4, 2011 8:22 PM
26	It is uninviting to walk to the stores north of University Ave. because of heavy traffic (noise, exhaust fumes and safety concerns).	Feb 3, 2011 12:09 PM
27	There is not much variety within walking distance.	Feb 2, 2011 10:41 PM
28	so excited about Target	Feb 2, 2011 10:41 AM
29	Rents need to be within means of locally owned businesses	Feb 2, 2011 9:25 AM
30	reason we bought in this aea	Feb 1, 2011 8:10 PM
31	for those of us near Univ. Ave. and Hilldale	Feb 1, 2011 12:40 AM
32	like the hilldale redevelopment and the new restaurants that pop up on university ave	Jan 31, 2011 11:40 PM
33	Hilldale redevelopment has been outstanding except for Target. We already have lots of Targets. We need more local businesses/small businesses at Hilldale, not one more massive Target.	Jan 31, 2011 3:18 PM

Page 4, Q16. How would you rate the sense of community in the neighborhood?

1	I absolutely love the people who live here, as we all have respect for each other, and strive to keep the hood quite.	Sep 12, 2011 10:17 AM
2	We have a nice sense of community in our condo and with neighbors in single family houses on the street.	Aug 8, 2011 9:19 AM
3	We'll find out with Mt. Olive / Neighbors & Alder	Jun 10, 2011 8:07 AM
4	We have nice neighbors but the neighborhood association has done little to welcome us to the neighborhood. Merlham Drive seems very separate from the rest of Sunset Village Neighborhood Association	May 16, 2011 12:48 PM
5	Most people have never heard of "Sunset Village"	May 12, 2011 4:33 PM
6	neighborhood boundaries need to be changed	Apr 11, 2011 10:20 PM
7	living in an apartment limits these relationships	Mar 22, 2011 10:58 AM
8	There might be more for people with children.	Mar 20, 2011 9:32 AM
9	Very strong among VanChaMasShe	Mar 4, 2011 10:53 AM
10	we had our first block party last fall--it was great to meet some more of our neighbors	Feb 21, 2011 10:15 PM
11	No way near what is was before the closed Hoyt School	Feb 20, 2011 10:55 AM
12	wonderful neighbors!	Feb 15, 2011 11:13 PM
13	neighbors are not that friendly	Feb 14, 2011 7:36 PM
14	People often identify themselves as from the area	Feb 10, 2011 6:40 PM
15	this is difficult to answer. partly because the definition is so variable.	Feb 7, 2011 12:03 PM
16	More biking and walking would help	Feb 4, 2011 8:22 PM
17	We are in a commercial area. When I lived in the interior streets in the past, there was a much greater sense of community.	Feb 2, 2011 10:41 PM
18	We're homebodies, but enjoy our neighbors and know we can ask if we need help	Feb 2, 2011 10:41 AM
19	based upon area having a neighborhood association	Feb 2, 2011 9:25 AM
20	my main involvement is with the kids at the ice cream social, halloween parade.	Jan 31, 2011 11:40 PM

Page 4, Q17. Do you feel safe in the neighborhood?

1	a batch of preteens and younger will soon fill the area.	Oct 3, 2011 9:18 AM
2	We were recently robbed so i am a little ticked	Sep 22, 2011 12:01 PM
3	although our home was burglerized when we first moved in and there are some sketchy elements at Hoyt	Sep 13, 2011 2:56 PM
4	It would be nice if people asked more questions about uncommon scenes that take place.	Sep 12, 2011 10:17 AM
5	less so than in the past	Sep 4, 2011 7:26 PM
6	most of the time...seems less safe than previously	Sep 3, 2011 7:18 PM
7	More street lighting would help.	Aug 8, 2011 8:30 PM
8	I feel safe, although we have too many petty theft incidents.	Aug 3, 2011 12:23 PM
9	This is relative: We were robbed a couple years ago	Jul 27, 2011 5:06 PM
10	any rezoning would bring more crime	Jul 15, 2011 6:27 PM
11	Speeding on Westmorland Blvd /	Jun 10, 2011 8:07 AM
12	3 break-ins in last 10 years	May 18, 2011 10:30 PM
13	until breakins this past winter	May 17, 2011 1:38 PM
14	yes, except for loose dogs	May 7, 2011 2:39 PM
15	loose dogs have been a problem	May 7, 2011 1:43 PM
16	I am safe, my home is not	Apr 27, 2011 10:52 PM
17	Most of the time - burglary still rattles me.	Apr 22, 2011 7:12 PM
18	Theft crime have become a concern.	Apr 9, 2011 3:26 PM
19	police/protection poor and parking enforcement 2 hour parking	Mar 23, 2011 4:13 PM
20	but not in the woods	Mar 22, 2011 10:36 PM
21	Most of the time	Mar 22, 2011 2:50 PM
22	But some recent muggings have diminished that feeling.	Mar 20, 2011 9:32 AM
23	a qualified yes-breakins in the past make it less safe	Mar 5, 2011 7:47 PM
24	although we have had small items stolen from our car recently	Mar 2, 2011 10:10 AM
25	I wouldn't leave anything unattended. My nieghbors had a bike stolen from thier driveway on a busy summer afternoon when people were out working in thier yards.	Feb 26, 2011 11:58 PM

Page 4, Q17. Do you feel safe in the neighborhood?

26	mostly yes but there's been an increase in drug activity in Hoyt Park and graffiti in various spots and I don't see much effort to stop it before it grows	Feb 25, 2011 5:40 PM
27	Although there was a rah of burglaries last year that were a concern.	Feb 24, 2011 9:36 PM
28	generally yes, but has become less safe	Feb 22, 2011 7:00 PM
29	There has been an increase in crime recently. Visible police patrol would be appreciated.	Feb 22, 2011 6:16 PM
30	Not all the time	Feb 22, 2011 3:27 PM
31	every weekend we see people buying and selling drugs at Hoyt Park parking lot	Feb 22, 2011 2:24 PM
32	improved lighting on Owen Parkway and Hoyt Parking lot all night	Feb 21, 2011 9:13 PM
33	Usually- there seems to be some threatening students hanging around Hoyt school smoking and sometimes gangs of people parked at the overlook	Feb 21, 2011 9:03 PM
34	But - the warm weather gathering of teenagers at the lookout on Owen does worry some of us who fear they may be tempted to engage in petty theft off porches or such	Feb 21, 2011 9:48 AM
35	crime is up	Feb 20, 2011 12:37 PM
36	But have read lately about robberies in homes & cars.	Feb 20, 2011 12:10 PM
37	For now yes but it is changing. May have to put in home security system soon.	Feb 20, 2011 10:55 AM
38	More robberies lately...	Feb 17, 2011 12:40 PM
39	I feel safer here than I did when we lived in Southern California, in the safest part of the State.	Feb 17, 2011 11:57 AM
40	Except for the break-ins a few months ago	Feb 15, 2011 11:13 PM
41	As safe as any place.	Feb 15, 2011 12:03 PM
42	mostly, we have a neighbor who runs a boarding house, and one of her tenants broke into our home. It is very aggravating that a neighbor can be so disrespectful and inconsiderate of neighborhood safety	Feb 13, 2011 5:24 PM
43	We have had a few thefts from unlocked vehicles in our driveway, an incident of a rock thrown through our car window, and have heard from neighbors there have been some recent home breakins on our street	Feb 13, 2011 2:50 PM
44	not as safe as 15-18 years ago	Feb 12, 2011 6:06 PM
45	Yes BUT...increasing concerns about safety.	Feb 11, 2011 4:45 PM
46	though teen activity (night noise in parks, vandalism) has been increasing	Feb 10, 2011 3:43 PM
47	Sometimes	Feb 9, 2011 3:56 PM

Page 4, Q17. Do you feel safe in the neighborhood?

48	However, car vandalized twice while in my driveway	Feb 9, 2011 1:08 PM
49	But better street lighting is always good, and a Neighborhood Watch program I believe scares trouble away keeping our neighborhood safe.	Feb 6, 2011 7:53 PM
50	even though my car was broken into, I feel safe.	Feb 5, 2011 9:53 AM
51	Female household members feel unsafe after dark due to lack of street lighting	Feb 4, 2011 8:22 PM
52	Know your neighbors!	Feb 2, 2011 9:25 AM
53	however there have been too many car thefts.	Jan 31, 2011 3:18 PM

Page 5, Q18. When a single-family lot in the neighborhood is redeveloped or remodeled, what issues are you concerned about?

1	its good to build on/ need more flexibility w/ adding garages	Oct 3, 2011 9:26 AM
2	cost of housing	Sep 13, 2011 6:34 PM
3	The future use of the space, and the noise and light it will bring.	Sep 12, 2011 10:18 AM
4	Building large garages/carports close to property lines. Building size relative to lot size is way too big.	Sep 10, 2011 11:33 AM
5	Most concerned about rezoning away from single family residential.	Aug 11, 2011 6:30 PM
6	Affordability and diversity	Aug 8, 2011 8:33 PM
7	Our section of the neighborhood is mixed use (condos, apartments, and single-family dwellings. Since most houses are small, larger houses would not be in keeping with the neighborhood.	Aug 8, 2011 9:33 AM
8	Always just glad to see reinvestment in the neighborhood instead of decline.	Aug 3, 2011 12:30 PM

Page 5, Q19. When a multifamily or commercial lot in the neighborhood is redeveloped or remodeled, what issues are you concerned about?

	bicycle/other vehicle parking	
49	I am most concerned by multi-family lots renting to students as they are more transient and not appreciative of neighborhoods in terms of noise and litter.	Feb 9, 2011 11:55 AM
50	how it affects other businesses in the area. For example, it is fine that Target is moving in... but if this Target has a grocery store - how does that affect Metcalfes/Cops/Whole Foods?	Feb 7, 2011 12:07 PM
51	Target is UGLY!! Looks like a railroad terminal!	Feb 6, 2011 8:54 PM

55	light pollution	Feb 1, 2011 12:45 AM
56	Mount Olive building - We are VERY VERY concerned about the amount of new traffic, noise and LIGHT POLLUTION that would be generated by ANY multi-story building put in this location. Any large apartment or office building would add many more cars going up and down westmorland blvd, much more noise and light pollution!!!! This is unacceptable and not at all consistent with the smaller/older character of our neighborhood.	Jan 31, 2011 3:23 PM
57	as above, regulations should be in place to force development to use green materials	Jan 31, 2011 3:20 PM

Page 5, Q20. In which locations would you support the development of new mixed-use/commercial buildings in the neighborhood, assuming their scale and use are appropriate? (check all that apply)

1	The recent development on Blair St & Johnson blends amazingly well w/ neighborhood. It should be the standard!!! Sequoia; not so much. A mix-use w/ neighborly architecture would be good along Mineral Pt.	Oct 3, 2011 9:26 AM
2	Absolutely no rezoning!!!	Sep 12, 2011 10:18 AM
3	no new additional development of mixed use	Sep 4, 2011 7:32 PM
4	University is an established commercial corridor, Mineral Point is not and should remain residential.	Aug 11, 2011 6:30 PM
5	Along commercial corridors and on old "institutional" properties make great locations to redevelop, add density and grow the tax base.	Aug 3, 2011 12:30 PM
6	I don't want to live next to a gas station	Jun 10, 2011 8:12 AM

Page 10, Q27. Please provide comments on any other issues you would like to mention.

1	Propose Mt. Olive to the Muslim community thats looking for new site. Architecture & busline might be attractive to them. Answers neighbors' complaints that site remains a church. Really use the Blair/Johnson sts as a model in urban redevelopment that fits the neighborhood!! Design it w/ accessibility for seniors. Many want to be rid of burdens of a house but are NOT urban condo types. The busline, shops, library, churches, senior center, safety, children/age ranges in the area, etc. make this area uniquely ideal for a subUrban senior market. Finishes don't need to be high-end but not cheap junk either.	Oct 3, 2011 9:38 AM
2	we moved to the neighborhood in part due to the community center. i would be extremely upset and fight tooth and nail if hoyt school were replaced with any commercial building, condo, apartment etc. We need a community center and use it often.	Sep 22, 2011 12:07 PM
3	Look for ways to increase green space and decrease impervious surfaces on streets. Build more rain gardens. Look for places for public art including landscape architecture.	Sep 16, 2011 2:06 PM
4	Many people take walks/walk dogs on sidewalks/roads on the perimeter of Hoyt Park. Sidewalks are sporadic, there are unkempt trees/shrubs, broken up pavement, etc which make some areas uninviting (portions of Bluff St; 300 block of Shepard Ter) and requires crossing busy street (ie: Bluff). Would be nice to create walking path around the entire perimeter. West end of Chamberlain street is in poor condition, injury risk when walking at night, no bike lane and no sidewalks.	Sep 13, 2011 9:35 PM
5	Snowbanks in winter completely obstruct the view to the east on Mineral Point Road near Westmoreland, so a driveway has no visibility of cars traveling 35+ mph within feet of the driveway.	Sep 13, 2011 6:37 PM
6	I regret that I won't have the opportunity to voice my concern about reckless traffic in the neighborhood, specifically on Blackhawk Avenue, at the neighborhood meeting tonight. I work from home and live on the corner of Blackhawk and Bluff. Daily, I witness vehicles accelerating to speeds in some cases double the posted limit on Blackhawk Ave between Bluff and Regent -- it's like a drag strip. The stop sign on the corner is more often than not completely disregarded. Although this behavior peaks during morning and afternoon rush hours, it occurs throughout the day. From 7-9AM and 4-6PM, the traffic is heavy and oftentimes backs up at the corner, blocking my driveway. On a few occasions, I've been unable to back out of my driveway because of the line of traffic. I'm concerned that Madisonians are using Regent-to-Blackhawk-to-Bluff (or University) as an alternative to the Midvale-to-University route. The roads in our neighborhood were not designed for this use. Pedestrians (including many young families) and cyclists frequent this route and I fear someone will be injured or killed should this continue. I've contacted the Madison Police on several occasions regarding the traffic issue and received only a lukewarm response in return. Something needs to be done. Stop signs at the intersections of Regent and Meadow, Regent and Hillside Terrace, and/or Regent and Owen might reduce the volume and speed of vehicles. Alternatively, a speed bump on Blackhawk would certainly do the trick. I would like the Hoyt Park Area Joint Neighborhood Planning Committee to determine an appropriate solution to protect our neighborhood from this potential danger. 7	I'm in support of a new development at Mt. Olive, I'm surprised at how many people are against the re-zoning. This is a beautiful neighborhood and I have very few complaints.	Sep 13, 2011 3:06 PM
8	Hilldale has lost it's class, there use to be wonderful original stores, Now it has become a franchise nightmare. You can get 90 % of what hilldale has to offer at Wal-Mart, and the food court at west town. It is nice to see that some people are restoring the prairie that once was in there yard. It's sad to see nice cedar siding replaced with plastic. And there are too many laud dogs and people parking cars in the greenway between the street and sidewalk or just making the city easement into a parking stall. I use to see the sky at night, but now the development has included the use of 24 hour inappropriate lighting, It would also be nice if the people used motion detectors, and new how to set them, so we can get back the dark sky. I do love what friends of Hoyt is doing to Sunset village. It would be nice to catch the people who trash Hoyt park, and make them paint the homes that are Destin for vinyl siding. 9	There is a large and active dog walking population that would benefit from access to Hoyt Park. Please make it available to us and our dogs. Also, traffic speed is a problem on our residential street and a danger to our children and quality of life. Thank you	Sep 10, 2011 12:48 PM

11	It is important to not lose the integrity of this extraordinary neighborhood. If we had wanted to live in a more "urban" setting, we would have lived downtown. We chose a very convenient but absolutely solid neighborhood instead.	Sep 5, 2011 6:34 PM
12	In my opinion, this area is in danger of an escalating crime problem. I work at Hilldale, where I know from mall security that the crime rate is up. Much of the crime there is unreported to the MPD, thus is not known to the public. The police presence in Sunset Village is practically non-existent. Thankfully we have a fire station on the corner of our block, as that adds some security. We need an active neighborhood watch and an increased police patrol presence.	Sep 4, 2011 7:42 PM
13	There have been efforts to rezone the Mt. Olive Church site on Mineral Point. The only rezoning I'd support is back to strictly single family residential.	Aug 11, 2011 6:34 PM
14	Would like to see Mineral Point road from Speedway to Midvale transition into single lane of traffic on each side, with center left turn lanes, side parking/bicycle lanes like Tokay. Would like to see abandoned church, newspaper building along Mineral Point redeveloped into mixed-use residential and commercial. I would support a senior housing / assisted living development. Safer crossing at Owen and Mineral Point has greatly enhanced quality of life for the neighborhood. Sequoya Commons redevelopment has greatly enhanced quality of life for the neighborhood. Need more street visibility and police patrols at Hoyt Park parking lot.	Aug 8, 2011 8:38 PM

	undertaking this process because it is way overdue. The current debate over Mt. Olive would be less contentious if the broader planning issues had been discussed and resolved previously. I think the adjoining neighbors should have been alerted through an earlier planning process that neighborhoods are expected to evolve over time (or die). They should not expect a(n) (abandoned) church to remain in the neighborhood, but that it would present an opportunity to add a mix of housing options (including elderly), would likely have added density compared to the underutilized current site use and could be an opportunity to grow the tax base.

23	I am concerned about any proposed building at the intersection of Mineral Point Road and Westmorland Blvd that challenges current zoning laws. It will compromise the integrity of our neighborhood. 25	This neighborhood is absolutely fantastic! I've lived here over 25 yrs and raised my family here. But nothing is immune from greed. We need to be ever-diligent from outside greedy people, who come here in many guises, often touting their past associations with our neighborhood before they left for what they see as greener pastures, who will deceive people into making choices that will destroy our neighborhood. 43	Storm sewer in this neighborhood is aged(50+years) and undersized(only can handle 25 year floods). Streets flood, yards flood, and thus basements and garages flood. The only way for the city engineering dept to make changes is for the neighborhood plan and alder to make it a priority. Sunset Village neighborhood Association can be leader in this. Several lots along N. Bradfield have public infrastructure buried along lot lines that lead to low spots in backyards that become ponds during flood events. Streets are not dual purpose thus designs are only designed to carry traffic, not storm water. 2.Sunset Village is a neighborhood with tons of young families and dog owners. 	We live the neighborhood but until looking at this map I had no idea what neighborhood I was in. 101	The plan area is surrounded by three major streets. The connection to adjacent neighborhoods and services is very dependent on and limited by these streets. Need better left turn safety at Midvale/Mineral Point intersection. Neighborhood is primarily single family at interior which is vital to maintaining the neighborhood. With the surrounding development and as development moves west our neighborhood will feel pressure for more and higher density development as well as increasing land values and possibly increasing pressure for larger houses. Neighborhood plan is a good idea to help guide these development pressures.	Feb 19, 2011 12:36 PM
102	At present I dislike when speed bumps or medians are placed in the roads to slow traffic. As a biker I find these areas to be the most dangerous places to interact with traffic. (The last thing I want when biking down the road is a center median forcing traffic closer to me). I'm not sure how you address, but when University was under construction the amount of traffic cutting through the neighborhood was significantly larger (along with the resulting noise). Cars that seem to be simply cutting through the neighborhood also seem to be the ones driving at significant speeds.	Feb 19, 2011 11:48 AM

105	Noise is a BIG complaint of ours. Indiscriminate use of power lawn tools, especially leaf blowers can ruin a nice summer or fall day for sitting outside. I admit to being an extremist as to leaf blowers. I would make them illegal for personal use. Our leaves are one of the great assets of this neighborhood anyway.	Feb 18, 2011 11:42 AM
106	Street parking on both sides of the street at Lucia Crest Park is a hazard; two cars cannot pass at the same time and visibility of pedestrians is poor. Also, using the park for both dogs and children does not make me want to utilize it.	Feb 16, 2011 10:19 AM
107	I believe that the Midvale-Lincoln pairing has been problematic for years. As a result, many Sunset Village parents send their children to private schools (e.g., Queen of Peace, Wingra, Blessed Sacrament) or request internal transfers to other public elementary schools (e.g., Shorewood). This dispersion of children and parental allegiance to a variety of schools fragments the neighborhood and inhibits a sense of community. Hamilton Middle School is better than Midvale-Lincoln (that is, if higher test scores mean "better") but nonetheless faces the challenges that come with overcrowding. Its reputation is that of a harsh, tough school where kids grow up too fast. The most significant thing we can do to improve our neighborhood is to improve the neighborhood schools so families will be enthusiastic about sending their children to them.	Feb 15, 2011 11:33 PM

128	Get the police to nail red-light and stop sign runners. More respect for pedestrians	Feb 10, 2011 11:51 AM
129	Traffic enforcement on Larkin St is important to quality of life. Classes at MSCR 7 days a week cause traffic/parking issues with over 600 cars a day using this street.	Feb 10, 2011 8:01 AM
130	NIMBYism is destructive to vibrant, diverse, sustainable neighborhoods. It's much easier to be negative and attempt to block development than to think carefully about what makes for good change that benefits ALL.	Feb 10, 2011 7:47 AM
131	location is fine the way it is -- off the beaten track, kind of, and beautifully treed, walkable, close to commerce, library, drugstore,	Feb 9, 2011 3:51 PM
132	The safety and feel of Hoyt Park is really my main concern. It is such a great resource, but I feel it is underutilized by the community because of safety concerns. Many neighbors and our own family see tagging, drug use and drug sales on a regular basis. I would be interested in anything we can do so that our children can play safely there again and people can hike on the trails without worrying about who they may run into doing drugs and other illegal activity. Also the noise from summer parties at night are an issue. Our house backs up to the	Feb 9, 2011 11:37 AM

	park and we can hear the noise late at night and have occasionally seen teens and young adults running through our neighbor's back yard, being chased by someone out of the park. I frequently see people park at the foot of the steps up to Hoyt Park from Shepard Terrace that are clearly not going into the park for a walk; they appear to be buying drugs. This is a huge concern!	
133	Thank you for allowing people to comment and thank you for caring about the neighborhood.	Feb 9, 2011 11:18 AM
134	Better awareness of Dog owners re: acceptable use of parks; leash requirements.	Feb 7, 2011 10:52 PM
135	snow removal is ridiculously slow and unacceptable	Feb 7, 2011 9:16 PM
136	The previous question would not accept my choice of "Unaffiliated" neighborhood - I live across from Quarry park.	Feb 7, 2011 3:18 PM
137	Thank you for your hard work on this. Greenspace is the most critical issue of all.	Feb 7, 2011 1:48 PM
138	I really hope that things change with traffic/speeding issues. I also hope that Hoyt Park is worked on providing neat trails ice rink exercise course, picnic shelters, flowers, tennis courts etc. I also hope for a community center and neighborhood watch, elderly assistance, and more.	Feb 6, 2011 8:14 PM
139	I'm opposed to installing space robbing traffic hazards and calling them traffic calmers. I'm also opposed to others influencing what a private residence should look like.	Feb 6, 2011 4:13 PM
140	I'm very happy with the neighborhood. I think Stevens could be safer for pedestrians with lights or a sidewalk.	Feb 6, 2011 8:39 AM
141	A number of streets no not have sidewalks (Ridge St and parts of Stevens St, for example) and can be dangerous for pedestrians.	Feb 5, 2011 6:02 PM
142	Previous page would not advance to this page if I selected "unaffiliated" (which I am), so I put in Sunset Village. This will likely result in unaffiliated people giving up at page 9, and skew the survey results towards people who already belong to neighborhood associations.	Feb 5, 2011 4:51 PM
143	In my family both a personal car and the bus system is used for commuting. I believe only the bus system would be used by my family if buses came more frequently and if there were actual shelters at most stops.	Feb 5, 2011 10:03 AM
144	Two years ago Madison Metro discontinued the bus route that I took to work (UW Hospital). I typically bike or walk to work but in bad weather this was a great option and in fact, one of the reasons that I bought my home in this neighborhood. Without the bus route I am stuck walking in the worst of the winter weather as I cannot afford parking at UW. Please push to get my bus route back if you can! Thanjs!	Feb 5, 2011 9:29 AM

147	I have no idea what association I'm in but the survey wouldn't accept unaffiliated. I've been here 8 years and have never heard of or seen an association that includes Ridge St.	Feb 3, 2011 8:59 PM
148	Fore question 25, it did not let me choose None - unaffiliated. Also, perhaps you know this, but i was never shown questions 27-34.	Feb 3, 2011 7:01 PM
149	I like the area a lot and have lived here for 8 years, but the increased amount of air pollution (mainly wood burning) is really a problem wintertime.	Feb 3, 2011 12:23 PM
150	One of the reasons we chose our house when purchasing was the slightly wild nature of the neighborhood. One of my biggest concerns is preserving the wildlife in our neighborhood...older trees, lots of birds, and green space	Feb 2, 2011 10:48 AM
151	Keep up the two-way dialogue!	Feb 2, 2011 9:30 AM
152	We have continued problems with water in the basement during rainstorms. It is not yet clear if this is because of our own landscape or because of the way water runs into our section of the neighborhood, or both. Wondering if others in sunset court have the same issues.	Feb 2, 2011 8:19 AM
153	Density should be encouraged as much as possible to allow for walkable amenities	Feb 1, 2011 8:14 PM
154	I hope diversity of housing is kept in mind. I like the eclectic gardens and imaginative things people do with there yards and fences	Feb 1, 2011 2:31 PM
155	Would be nice to have a collection of neighborhood history and lore, at the library, or community center, if there should ever be one; or perhaps on-line.	Feb 1, 2011 12:54 AM
156	thanks for all of your hard work with this plan!	Jan 31, 2011 11:50 PM
