SUBJECT: 2400 Waunona Way

Dear Mr. & Mrs. Nicaise:

The Plan Commission, at its October 10, 2005 meeting, determined that the ordinance standards could be met subject to the conditions below for a conditional use for an addition to a waterfront home located at 2400 Waunona Way.

In order to receive final approval of your proposal, the following conditions must be met:

Please contact John Leach, City Traffic Engineering, at 266-4761 if you have questions regarding the following item:

1. Existing deck encroaches into the public sanitary sewer easement. Prior to approval, encroachment must be rectified with the City Engineer.

Please contact Kathy Voeck, the Assistant Zoning Administrator, at 266-4551 if you have questions regarding the following item:

2. The flood plain shall be delineated on the final site plan. The structure shall not be located in a flood plain area.

Approval of this proposal does not include any approval to prune, remove or plant trees in the public right-of-way. Permission for such activities must be obtained from the City Forester, 266-4816. The trees shown in the street rights-of-way shall not be shown on the sign-off plan or construction plans unless they have previously been approved by the City Forester. If these are existing trees or species and locations that have been approved by the Forester, they shall be so labeled on plans.

Please follow the procedures listed below to receive your conditional use approval.

1. Please revise plans per the above conditions and submit four (4) sets of the final site plans (including drainage and landscaping plans) to the Zoning Administrator. The final plans are reviewed and approved by City Engineering and Zoning. Any of these agencies may call you to request additional information or to resolve problems.

2. This letter shall be signed by the applicant to acknowledge the conditions of approval and returned to the Zoning Administrator when requesting cover sheet approval.
3. No alteration of this proposal shall be permitted unless approved by the City Plan Commission provided, however, the Zoning Administrator may issue permits for minor alterations. This approval shall become null and void one year after the date of Plan Commission approval unless the use is commenced, construction is under way, or a valid building permit is issued and construction commenced within six months of the date of issuance of the building permit. See Section 28.12(11)(h)(3), Madison General Ordinances. The Plan Commission shall retain jurisdiction over this matter for the purpose of resolving complaints against this approved conditional use.

IF YOU HAVE ANY QUESTIONS REGARDING OBTAINING YOUR BUILDING PERMIT OR OCCUPANCY PERMIT, PLEASE CALL KATHY VOECK OF THE CITY ZONING STAFF AT 266-4551.

Sincerely,

I hereby acknowledge that I understand and will comply with the above conditions of approval for this conditional use.
