The Tenney-Lapham Neighborhood Association (TLNA) Council on May 8 voted unanimously to support Pasqual's proposal for a restaurant in the former Fyfe's location, 1445 E. Washington Avenue, including outdoor seating. The council is excited to see new life in this landmark building and also encouraged to see it occupied by a locally-owned business with deep roots in the community.

Sincerely,

Joe Lusson, president  
TLNA
