- NOTES:**
- 1) Except as specifically stated or shown on this map, this survey does not purport to reflect any of the following which may be applicable to the subject real estate: easements; building setback lines; restrictive covenants; subdivision restrictions; zoning or other land use regulations; and any other facts that an accurate and current title search may disclose.
 - 2) No attempt has been made as a part of this boundary survey to obtain or show data concerning existence, size, depth, condition, capacity, or location of any utility or municipal/public service facility. For information regarding these utilities or facilities, please contact the appropriate agencies.
 - 3) Date of field work: Sept. 27 and 28, Oct. 4 2011
 - 4) Surveyor has made no investigation or independent search for easements of record, encumbrances, restrictive covenants, ownership title evidence, or any other facts that an accurate and current title search may disclose. Surveyor was provided with Title Commitment Number 2218617 dated September 29, 2011 from First American Title Insurance Company, which references the following (numbers in parenthesis match items in Part A of Commitment.):
 - (1) Reservations for easements, building setback lines and other matters shown on the recorded plat of the subject property.
 - (2) Right of Way Grant for Underground Electric recorded July 25, 1994 as Document No. 2619408. [Shown hereon]
 - And Title Commitment Number 2218305 dated September 29, 2011 from First American Title Insurance Company, which references the following (numbers in parenthesis match items in Part A of Commitment.):
 - (1) Reservations for easements, building setback and other matters shown on the recorded plat map of the subject property.
 - (2) Easement for ingress and egress, over the southerly 10 feet of Lot 11, as reserved in Land Contract recorded August 20, 1976 as Document No. 1483521. [Shown hereon]
 - And Title Commitment Number 2232398 dated October 12, 2011 from First American Title Insurance Company, which references the following (numbers in parenthesis match items in Part A of Commitment.):
 - (1) Reservations for easements, building setback and other matters shown on the recorded plat or certified survey map of the subject property.
 - (2) Easement Agreement recorded August 28, 1987 in Volume 10525 of Records as Document No. 2041743. [Shown hereon]
 - 5) All buildings, and surface and subsurface improvements on and adjacent to the site are not necessarily shown hereon.
 - 6) All trees, hedges and ground cover on the site may not necessarily be shown hereon.
 - 7) Routing of public utilities is based upon drawings obtained from the City of Madison Engineering Department, markings provided by Digger's Hotline Ticket Numbers 20113916586, 20113915951, 20113915886, and 20113915903 and visible above ground structures. Additional buried utilities/structures may be encountered. No excavations were made to located utilities. Before excavations are performed contact Digger's Hotline. Gas lines partially marked. No gas services were partially marked.
 - 8) Elevations were transferred to the site using WISCONSIN with RTK GPS. A benchmark was set on the top nut of a hydrant at the SE corner of S. Randall Ave. and St. James Ct. Elevation = 861.37'
 - 9) By graphic plotting only, this parcel is located in Zone X of the Flood Insurance Rate Map Community Panel Number 55025C04085, dated 1-02-2009.
