Re: 3117 Kingsley Way

Dear Tim,

The following are enclosed for your review:

1. Subdivision Application
2. \$450 fee
3. Certified Survey Map (16 copies)
4. Title Report (2 copies)

The proposed Certified Survey Map combines 2 lots into 1 lot. The site is currently being used by Monona Plumbing and Fire Protection for offices and material storage. The purpose of combining the lots is to construct a storage building along Kingsley Way.

Application materials were submitted electronically.

Sincerely,

Kevin J. Pape, RLS, PE
