- The applicant or agent is required to attend the Plan Commission hearing to explain your proposal and answer questions. Failure to appear at the scheduled hearing will cause referral of the matter to a future hearing date. (You should also remain at the meeting until the Plan Commission votes on your item.)

Plan Commission Review Process:

- The Plan Commission can **approve, reject, conditionally approve or refer** your proposal to a future hearing based in part on a review of the request against the applicable standards found in the City Ordinances. After Plan Commission recommendation, rezoning requests are granted final approval by the City Council.
- After the Plan Commission (Common Council for rezoning requests) votes on your project at an advertised public hearing, the Planning Unit staff will compile a letter of conditions and mail it to the designated contact person.
- After receiving the signed letter of approval, resubmit to the Zoning Administrator the number of sets of revised plans identified in the approval letter and a copy of the letter of approval from the Planning Unit for final sign off. **Note:** PUD/GDP/SIP or PCD/GDP/SIP must be recorded at the Register of Deeds office prior to a building/foundation permit being issued. **Note:** Structural review is not included in the Plan Commission process. Building, sign, and demolition permits issued by the Building Inspection Unit may be required subsequent to final approval.
