RE: Ripp Parcel CSM
8839 Ancient Oak Lane

Dear Brad:

Attached please find a copy of the rezoning request from Ag to R2T as part of the CSM application for lot division creating two single family lots on Ancient Oak Lane.

Brandon Ripp is seeking to subdivide and rezone a small area of Outlot 4 at Linden Park in to two single family lots (0.24 ac) plus a remaining parcel of approximately 8.4 acres that will remain in Agriculture zoning reserved for future development. The two single family lots are to be rezoned to R2T from the current Agriculture zoning. The proposed zoning matches the existing single family parcels along the south side of Ancient Oak Lane to the west of this rezoning.

Below is a list of names of persons involved in the project.
