I was pleased to get your letter of Feb 18, 2011. As a condo owner at Holborn Circle, I can see the property in question from my bedroom window. I have been concerned that it could be a focus of crime. I live alone and was worried that the safety of our people and our property in our nice quiet little community would be put at risk.

Thank you for the notification and for taking action. When you move to rezone, I hope you show the same consideration for your neighbors.

Heather

Please find below the email I received from one of the condo residents. I will also forward you the other email I received.

In addition to these emails I also talked to the condo association Vice President Mary Jane over the phone. She is also in agreement with the demolition.

Let me know if you have any questions regarding the responses. Thanks for all your help.
