CORRESPONDENCE

TO: Members of the Plan Commission
FROM: Ald. Larry Palm, District 12
SUBJECT: **Independent Living Project on Tennyson Lane**

I am unable to attend the November 4 meeting of the Plan Commission but wanted to express my full support for Independent Living's housing project on Tennyson Lane.

I also support the concept that the Plan Commission previously agreed to concerning the north-south extension of Eliot Lane. I do not think an additional north-south street as has been suggested by staff is needed at this location.

Thank you for your consideration.
