

Construction Update...

To: The Villager Tenants

Date: April 2, 2009

The project is now taking starting to show more dramatic changes that will only increase in the weeks ahead. The attached Findorff Executive Update outlines some of what has taken place over the past few weeks and what you can expect in the coming weeks. The most notable issue that will impact Atrium tenants will be the temporary entrance. We will have temporary signs identifying this entrance with all tenants listed. You will be notified when this will take place, but it should occur within the next two weeks.
