..Fiscal Note

Implementation of any projects associated with the plan will require further authorization of the Common Council. The Resolution will authorize the Department of Planning and Development to accept a private contribution of \$5,000 from South Metropolitan Business Association to support the Wingra Creek Redevelopment project.

..Title

SUBSTITUTE - Adoption of the Wingra Creek Market Study and Redevelopment Plan as a supplement of the South Madison Neighborhood Plan. 13th Ald. Dist.

..Body

WHEREAS the South Madison Neighborhoods and South Park Street Business community have undertaken planning initiatives for the revitalization of the South Park Street corridor; and

WHEREAS South Madison Neighborhood Plan, adopted January 18, 2005, identified the Wingra Creek District (bounded by Fish Hatchery to the north and west; South Park Street to the east; Wingra Creek to the south) as a strategic site for future revitalization efforts (see attached map); and

WHEREAS the City of Madison was awarded a 2002 Dane County B.U.I.L.D. (Better Urban Infill Development) Program: Phase I Grant for \$25,000 to conduct initial market study studies and development concepts for the Wingra Creek District and received a 2003 Dane County B.U.I.L.D Program: Phase II Grant to develop a parcel-specific strategy, including final recommendations for the mix of land uses, location for new streets, the type and style of buildings, and development phrasing strategy; and

WHEREAS the City of Madison established and appointed a joint ad hoc committee and interagency project team to provide input to the consultant hired through the B.U.I.L.D. I and II Programs.

NOW, THEREFORE, BE IT RESOLVED that the City of Madison hereby adopts the Wingra Creek Market Study and Redevelopment Plan and Transportation Supplement Report as a supplement of the South Madison Neighborhood Plan.

BE IT FURTHER RESOLVED that the Planning Unit staff are directed to edit the supplemental report to note that the preference for the South Park Street-Cedar Street-Beld Street intersection is alternative # 3 that emphasizes Beld Street as the primary connection and Cedar Street as the secondary connection to South Park Street.

BE IT FURTHER RESOLVED that city staff implement pedestrian and bicycle safety and traffic calming features as the area develops.

BE IT FURTHER RESOLVED that the Department of Planning and Development is hereby authorized to accept a private contribution of \$5,000 from South Metropolitan Business Association to support the Wingra Creek Redevelopment project.
