### Neighborhood Officers

MPD's neighborhood officers are assigned to specific areas of the City. The neighborhoods are geographically small, and typically have a high need for police services. In 2010, eleven MPD officers will be assigned as neighborhood officers in ten neighborhoods. Four of these officers are assigned to the West District; the officers and their neighborhoods are reflected above.

Neighborhood officers work full-time in their assigned neighborhoods. Rather than responding to calls for police service, they take a proactive approach to find long-term solution to problems in their areas. Neighborhood officers are typically assigned to their areas for up to four years, and they become very familiar with their neighborhoods and residents.
