

RECYCLOPEDIA MINI

NEW LARGE ITEM COLLECTION

Before setting items out for pickup, you must complete a large item work order. In the form, you will choose when to set the items out and collection will occur during the work week following the set-out date you selected.

If you do not complete a work order, your large items will not be picked up.

In 2022 you will have more set-out opportunities than in 2021.

The large item work order form is available at www.cityofmadison.com/LargeItemWorkOrder

YARD WASTE COLLECTION

Yard waste is leaves, weeds, grass clippings, and similar material you have raked or pulled from your lawn or garden.

Residents receive two curbside pickup opportunities in the spring and three pickup opportunities in the fall.

Learn when you should set out your yard waste for pickup at www.cityofmadison.com/yardwaste

BRUSH COLLECTION

Brush is woody material you have cut from your trees, shrubs, and bushes. The cut pieces must be at least 18 inches in length.

Brush collection begins in the spring and lasts through the summer. Residents receive multiple curbside collection opportunities.

Learn when you should set out your brush for pickup at www.cityofmadison.com/brushcollection

DROP-OFF SITES

Hours for the drop-off sites change seasonally. Check the hours before loading your vehicle.

Learn the location of the sites, their hours of operation, their restrictions, and what they accept at www.cityofmadison.com/dropoffsites

RECYCLING INFORMATION

Use the guide on the reverse side of this sheet to learn what you can place into your green recycling cart.

Information about all Streets Division services can be found at www.cityofmadison.com/streets.
