

Public Meeting—Near West Side Water Supply Augmentation

The Madison Water Utility is considering establishing a project for the west side of the City to improve water supply system reliability. This potential project will be discussed at a neighborhood meeting on October 15. A full description of the project is posted on the utility website at www.madisonwater.org, Near West Side Water Supply Augmentation.

The Utility Project Manager, Dennis Cawley, will be at the meeting to describe the project and to answer questions. If you are unable to attend the meeting, please contact Mr. Cawley at 261-9243 or by email at dcawley@cityofmadison.com.
