

## Water Quality Testing

Testing Frequency	Contaminants Tested	Testing Location
Daily	chlorine, fluoride	unit wells
Daily (M-Th)	total coliform	unit wells, distribution sites
	chlorine	distribution sites
Monthly	iron, manganese	unit wells
Quarterly	total coliform (raw water)	unit wells
	volatile organic compounds	some wells
Annually	inorganic compounds, nitrate	unit wells
	volatile organic compounds	unit wells
	disinfection by-products	some distribution sites
Less Frequently Than Annually	synthetic organic compounds	unit wells
	radionuclides	unit wells
	unregulated contaminants	unit wells
